2. It is requested that the following personnel be made available to the Project:

STAT

a. [Redacted]

No.	Title	AFSC	Grade
1	Cryptographic Machine Operator	29270	S-M/Sgt
4	Cryptographic Machine Operator	29250	A/1C - S/Sgt

3. It is suggested that the above mentioned personnel might be placed on a 6-month detail, arrangements which could be worked out as between Project Headquarters and the USAF component to which they are presently assigned, in order that they be made readily available to meet an already critical requirement. We would then expect to replace these Air Force personnel with Project/furnished civilians as soon as the latter should be available.
